Dementia Friends Information Session

Dementia Friends Information Sessions aim to give people an understanding of dementia and the small things that they can do that could make a difference to people living with dementia.

During this short, interactive session you will learn a little bit more about what it's like to live with dementia, how you can help to create dementia friendly communities and how to turn your understanding into action.

Anyone of any age can be a Dementia Friend.

Offered as part of the Alzheimer's Society Dementia Friends programme. More information at www.dementiafriends.org.uk

Spring 2017
